Reading Comprehension: ( 20 Marks )

Q1. A/ Read this text carefully then answer ( 5 ) of the questions that follow.

( 10 M.)

We all know that shopping online is useful. It saves time and effort. You can buy what you want any time. It's a form of electronic commerce which allows the users directly buy goods from a seller over the internet. However, my opinion changed when I decided to buy a present to my daughter on her birthday. I visited the websites for electronics until I found what I wanted and ordered a modern computer. The delivery arrived in one week. I opened the box. Inside, there were a keyboard, a mouse , a screen and a lot of wires. After spending an hour trying to put all parts together, it still didn't work. At once I called them to send it back. They were sorry. After three days, a new computer arrived. It was great and my daughter was happy. When you shop online, you need to be careful where you shop from. You should buy from trusted sources and make sure you read the user reviews of both the seller and the product.
